

The Village Hall with Endless Possibilities

The benefits of hiring the Reading Room for your class, club or workshop:

- The versatile layout can accommodate different types of activity, with larger (and louder!) groups in the Main Hall (with a capacity of 100), while the Billiard Room offers a more intimate space (capacity of 30) and the Committee Room has a maximum seating capacity of 8 to 10.
- Each room has access to a kitchen. The main kitchen is fully stocked with crockery, cutlery, a fridge freezer, cooker and dishwasher and comes with the Main Hall. The small kitchen is linked to the Billiard Room & Committee Room and has tea & coffee making facilities with a fridge freezer that you can use;
- The Main Hall has a great sound system that you can plug into using your own device to play background music for your session. Please note, if you are playing music, you may be required to hold your own licence to do so. Please visit PPLPRS Ltd for more information: <https://pplprs.co.uk>;
- As part of your hire agreement, the classes or workshops that you run from the Reading Room will be regularly promoted on our website and Facebook page;
- Curdridge has excellent transportation links: Botley Railway Station is less than a mile away and the village is less than 10 minutes from the M27 motorway.
- There is free parking onsite for your clients to use and, if your child is attending a dance class, there is a play area and the recreation ground for any siblings to blow off a little steam whilst they wait.

Hire fees vary subject to your requirements. Regular hirers benefit from a discounted rate.
